

## Ontario Simmental Association Recognition of Champions

Designed to recognize the top purebred or fullblood show female and male exhibited in the province of Ontario.

To be eligible animals must be registered with the Canadian Simmental Association and meet the standard set forth by them with regards to purebred/fullblood status. Award will be presented to one male and one female according to points accumulated regardless of age division. Animal must be legibly and properly tattooed as indicated on the animal's registration paper at each of their qualifying shows. Animal must be owned by a member/members in good standing with the Ontario Simmental Association at the time of the show to be eligible.

The OSA with its membership have decided on Peterborough Fair, Glencoe Fair, Renfrew Fair and the Royal Winter Fair that animals may attend to receive points. Exhibitors may attend multiple shows and points from all qualifying shows attended will be added for that animal. There is no limit to the number of qualifying shows an animal may attend and accumulate points from. This is done to encourage exhibitors to get out as much as possible to promote and showcase the Simmental breed.

\*\*Bulls and females exhibited at these shows will be recognized based on a calculated points system, determined by show placings from 1-10 in each class. Points differ based on the size of the show and with the number of cattle that are exhibited. Extra points will also be given to the Grand and Reserve Division Champions and to the overall Grand and Reserve Champions.
