

Ottawa Valley Simmental Club 2020 Annual Report

Due to the rise of Covid cases in the early part of 2020 the OVSC Board of Directors offered to stay in place for an extra year; if it was okay with all the Members. No one came forward or showed any dissatisfaction with this offer. The Board continued with the limited amount of business that we were able to conduct over the past year. The Board has not had an in-person meeting in 2020, with most communication and decisions being conducted by email or telephone.

At the end of 2020 we had 36 members in good standing. Thanks to all of you who continue to support our Club. Note: You must be a paid Member, in order to consign to the Stars of the Valley Sale.

We have our final Financial Statements for 2020 on hand and available to any Member who requests them.

Our 2020 Stars of the Valley sale started out with the uncertainty of holding an online sale, but the uncertainty faded quickly when the final results were announced. The Sale average was \$4,700.00. Thanks, and congratulations to management and staff at Bohrson Livestock. The sale has become quite a success, and this is in no small part, due to the fact that our Members have been presenting their best cattle for selection.

We presented nineteen 4-H members with an attractive 2020 Coin Set from the Royal Canadian Mint. The coin sets were given to each member who successfully completed their Simmental based project.

Dan O'Brien
OVSC President
